

SEPARATION REQUIREMENTS FOR TRASH COLLECTION

The Town of Williamston is pleased to serve you but be aware that many items REQUIRE separation. Please note the separation requirements listed below. If some items do not get picked up, it may be due to failure to follow these separation guidelines.

* Please note that they will not be picked up until they are properly separated.

These items, and only these items can be placed together for pickup.
NOTHING ELSE CAN BE PLACED WITH THE FOLLOWING!

stumps, no larger than 2' x 2'	loose grass
loose leaves	roots
silt	limbs
logs 2' or shorter	

These items, and only these items can be placed together for pickup.
NOTHING ELSE CAN BE PLACED WITH THE FOLLOWING!

mirrors	hardened concrete	bricks
untreated lumber	plaster	plaster board
insulation materials	roofing materials	floor tiles
wall tile	floor coverings	glass
wire	structural fabric	
furniture		

These items **cannot** be placed on the roadside for pickup and are the responsibility of the resident to take to the landfill:

shingles	pallets	utility poles
lead based paint	asbestos	
lumber containing lead based paint		

Metal, tires, and batteries are not picked up on a regular schedule but should be placed separate from all other items. These items will be picked up as soon as scheduling permits.

Household garbage should be placed in plastic bags and no other materials should be mixed with these items.

These items are also considered to be household garbage:

toys	cloth	plastic flowers
plastic flower pots	cardboard	garden hose
plastic table and chairs	throw rugs	

Should you have any questions please call Town Hall at 847-7473.
