

**Town Of Williamston To Limit Services And Operations**  
**Due To COVID-19 Pandemic**  
**UPDATED 8/5/20**

I pray that everyone will remain safe during this event. After consideration of our current health risks, I have issued temporary restrictions on the daily operations of the Town Of Williamston as of March 16, 2020. It is my intention to maintain a safe work and community environment as we face the risks of the COVID-19 pandemic together. These prudent actions, providing an abundance of precaution, may seem to be more than needed by some in our community, but, as Mayor, I would rather do more than necessary that is within our power than err on the side of doing too little. Local restrictions are in line with Federal, State, **County, and other Municipal actions**. We will continue to update the community through social media and our local Journal.

Mayor Durham

The Town of Williamston will take the following preventive measures:

- ❖ All Town parks will be partially open until further notice. **(No shelter rentals or room rentals inside town hall.)**
- ❖ Meetings of the Council will continue as scheduled. Staff will live stream on Facebook and YouTube and recommend that you observe these meetings via the internet.
- ❖ Town events at parks and public spaces will be suspended until further notice.
- ❖ Public Works will continue sanitation services, maintenance and lawncare.
- ❖ Employee-to-employee contact and employee-to-public contact will be limited.
- ❖ Animal Control issues must be life-threatening before staff can respond due to P.A.W.S. being closed.
- ❖ All Municipal Court is suspended until **June 18, 2020**.
- ❖ The Wastewater Treatment Plant will continue its normal operations with limited access to the public.
- ❖ We are working closely with the Anderson Joint Regional Water Authority to continue providing quality water to our residents.
- ❖ **All recreational sports are starting up with special restrictions.**
